HAPPY VALLEY GARDEN CLUB

The Happy Valley Garden Club was established in 1968 and has been thriving ever since! Our club members are interesting and curious individuals who love learning – whether it's about gardening, floral arrangements, indoor plants, or ways to help wildlife and pollinators! We meet on the second Tuesday morning of every month, from September through June. These meetings vary - from listening to speakers to field trips to crafts! We also meet on the fourth Tuesday of the month, usually at the Happy Valley Park or ElkaBee's Coffee Shop, just to socialize!

Our club members help to support the Clackamas Service Center and the Hull Foundation and Learning Center in Sandy, Oregon. Our Children's Outreach Program also helps to promote children's appreciation of nature.

If you would like to learn more about our club, please email any of the individuals listed below! We would love to talk with you! Thanks for your interest!
