

APRIL 14-15, 2010 Flower Symposium, Eugene, Oregon Motel Choices

Here are some motels that are closest here with prices they gave me today. They are about a mile away, and we will try to provide some shuttle service to and from these motels for those of you don't carpool. Parking is on the streets around the garden club and we will have parking passes available for those two days. If you let our Registrar, Georgia Zahar, know where you are staying, she will probably include directions for you when she sends back your confirmation.
