

The book, Membership Matters! Ideas for Growth has now been published in hard copy. It contains a variety of proven ideas contributed by the Pacific Region Garden Club States, including Oregon, for growing membership in your District and your Club. There's even a chapter dedicated to Starting a New Garden Club with Step-by-Step instructions, complete with samples.

This colorful book is available by using the order form below and sending your check (made payable to OSFGC) to Gaye Stewart. The book is also available on the Pacific Region Website ([pacificregiongardenclubs.org](http://pacificregiongardenclubs.org)) if you want to check it out or print your own copy. Either way, this is a great opportunity for you to pick the ideas new to you or that seem doable for you and your Club to "grow your membership." Together, we can do this!
