Conservation Pledge

"I pledge to protect and conserve the natural resources of the planet earth and promise to promote education so we may become caretakers of our air, water, forest, land, and wildlife."

Why Should I Join a Garden Club?

- It doesn't matter if you have a green thumb or have no experience gardening. Everyone is welcome! Garden clubs are for gardeners of all skill levels...novices and experts alike.
- You have opportunities to meet and befriend others, to learn (hands on projects, classes and speakers), and to inspire.
- You'll be able to share materials and other resources.
- You like talking about gardening with like minded people.
- It's a creative outlet.
- You care about conservation.
- Fun garden club events.
- Social networking.
- You will collaborate on Community Service Projects.

Mission Statement

The Oregon State Federation of Garden Clubs, Inc. provides education, resources, and statewide networking opportunities for its members to promote the love of gardening, floral design, and civic and environmental responsibility.
