This Reforestation/Forest Education Program is sponsored by National Garden Clubs, Inc. in cooperation with the USDA Forest Service. The USDA Forest Service or State Forester uses the donations in conjunction with federal funds to replant burned or otherwise damaged trees with native or adapted varieties appropriate for the location. Funds may also be used for forest education activities. Oregon donations will be specified for Oregon use.

Clubs donating \$68 or more may designate a National Forest and/or someone to honor. Other amounts will be combined and sent by OSFGC for use in Oregon. For your donation to be appropriately noted, please use the form below. Please print your information. Thank you for participating in the valuable program which will help restore and enhance our state's beauty!
